(session prices subject to availability)**

Course information

Indoor sponge tennis provides a great introduction to tennis for children. Absolute beginners can learn the basic techniques and skills using these slower balls, whilst improvers and more experienced players can also be challenged and work on techniques at a faster pace. It's a recognized LTA teaching method, very energetic and really great fun!

Further Details

Hot Shots Academy: Operate the coaching programmes at 5 venues in the Burton-on Trent area. All our Coaches are experienced, are LTA Qualified with enhanced CRB checks and are trained in First Aid.
