Welcome Letter Goldfinches

Your new teachers are

Mrs Dhillon

Monday, Tuesday,

Wednesday and Thursday

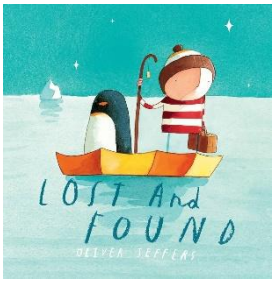

Mrs Milward

Friday

A big ‘Hello’ and a very warm welcome to Goldfinches’ class!

We are so excited that you will be joining us soon. We have so many fun things planned, and we can’t wait to get to know you. Our classroom will be a happy and safe place where you can try your best, learn new things, and feel proud of yourself. We will help you grow in confidence, become more independent, and be curious about the world around you. Most importantly, we want you to feel happy being yourself. We will be learning lots of exciting things together! In English, we will read Lost and Found by Oliver Jeffers and use the story to help us with our writing. Our first topic will be Healthy Planet in Geography, where we will learn about our world. In Science, we will be learning about Animals including Humans and how to look after our bodies and stay healthy. We will read, write, count, explore, create and have lots of fun every day. We can’t wait to see all the amazing things you can do!

About Goldfinches

Goldfinches are small, bright birds with shiny yellow feathers and black wings. They love to eat tiny seeds, especially from flowers like dandelions and thistles. Goldfinches often sing cheerful, musical songs as they fly through the sky. You might see them in gardens, parks, or fields where there are lots of plants. These birds are gentle and like to travel together in little groups called flocks.

Your challenge:

Draw a picture of something you love or enjoy doing and bring it with you on your next visit to us. We can’t wait to see it!

See you very soon!

Mrs Dhillon and Mrs Milward
