Welcome to Kingfishers!

Hello! My name is Mrs Ellis and I am so excited to tell you that you will be joining me in Kingfishers class next year.

I love to learn new things and we will certainly be doing that together in Year 2.

I am excited to be teaching Year 2 for another year at Etwall Primary. I have heard and seen how kind, respectful and hard-working you are and I know we are in for a great learning journey next year.

We will be curious, we will be ambitious and we will have fun!

Some of the exciting topics we will be covering next year are 'Sensational Safari', 'Inside the Castle Walls' and the 'Real Life Superheroes'.

Fun facts about Kingfishers:

Kingfishers are colourful, super-fast birds. They have brilliant blue feathers that shine like magic in the sun, sharp beaks, and can dive into rivers and lakes to catch slippery fish with super speed!

Fun facts about me:

- My favourite colour is purple. I also love pastel colours!
- I love travelling with my family. My most recent holiday was to Devon where we travelled to the seaside on a steam train and watched the English Riviera airshow. The Red Arrows and The Typhoon were amazing!

- I love a sweet treat, especially a doughnut!
- I love going to watch shows at the theatre. Some of my favourite shows are Wicked and The Lion King.

I am looking forward to meeting you at our meet the teacher Q&A, our meet the teacher class story time and during our transition day.
I hope you have an amazing summer holiday and I can't wait to hear all about the exciting adventures you get up to. Take care over the summer, stay safe and have fun!
Mrs Ellis
