Happy New Year and welcome back! We hope that you had a lovely break and are rested and ready for the busy term ahead.

## Maths and English

### Remember:

- \* PE kits need to be in school every day.
- \* Reading journals will be checked every Friday (Eagles) and Monday (Ospreys).
- \* Spelling test is every Friday. Please support your child in learning their spellings.

### English

In English this term through our Talk for Writing work, we will be exploring science fiction and persuasive writing.

In our guided reading lessons, we will be working on our inference and deduction skills. Through our English work, we will develop our knowledge of

spellings, punctuation and grammar (SPAG), and we will work on our use of a cursive script in handwriting practice.

### Maths

In maths we will work on a range of number and practical problems involving statistics, measure and percentages.

Although we will be practising our multiplication facts in school, the quicker the children

can recall these facts, the easier they will find the whole maths curriculum. Please encourage your child to practise these at home. Thank you.

We will be visiting the galleries as well as doing workshops about habitats and Earth and Space (our spring term science topics).

The Y5/6 team have visited Think Tank in previous years and it is a fabulous trip, which deepens the children's science knowledge and skills greatly.

A letter will be sent out straight after Christmas with further details of the trip.

Thank you for your support.

## Online Safety

As it is January, why not make a digital resolution! Create a family agreement to ensure positive behaviour and boundaries online.

Safer Internet Day 2018 will be celebrated globally on Tuesday 6th February 2018 with the slogan "Create, Connect and Share Respect: A better internet starts with you". At Etwall Primary School, we will be holding our annual Online Safety week during this week. The children will be participating in various Online Safety activities.. There will be an NSPCC workshop for parents on 17th January 2018. For advice on keeping your children safe online, please remember to visit the Online Safety section on the school website or 'A Parent's Guide to being Share Aware'

## Student teachers

This term we are lucky enough to be welcoming two student teachers from the University of Derby into the year 5/6 team. Miss Layland will be supporting Eagles class and Miss Brett will be supporting Ospreys class. The students we have had previously from the university

have always been of an extremely high standard and we are excited to have them teaching alongside the team, as they complete their studies, ready to become teachers in their own classrooms in September.

We are sure the children will make them feel as welcome as the staff will!

## Class assemblies

Eagles' class assembly will be on Thursday 24th January at 9:05 and Ospreys' class assembly will be on Wednesday 6th February at 9:05.

The themes are yet to be discussed with the children and confirmed.
