

This booklet provides information for parents and carers about the end of year expectations for children in our school following the lockdowns. The staff have identified these expectations as the minimum requirements your child must meet in order to be ready to progress as they move onto secondary school.

Any extra support you can provide in helping your children to achieve these is valued greatly. This could be through practical work or apps such as Bug Club, Spelling Shed, and TTRS. Listening to your child read daily is also important.

If you have any questions about the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

<u>Reading</u>

- Refer to text to support opinions and predictions.
- $\circ~$ Give a view about choice of vocabulary, structure, etc.
- Distinguish between fact and opinion.
- Appreciate how a set of sentences has been arranged to create maximum effect.
- Recognise:
 - complex sentences with more than one subordinate clause
 - phrases which add detail to sentences
- Explain how a writer has used sentences to create particular effects.
- Skim and scan to aide note-taking.

<u>Writing</u>

- Use subordinate clauses to write complex sentences.
- Use passive voice where appropriate.
- Use expanded noun phrases to convey complicated information concisely (e.g. The fact that it was raining meant the end of sports day).
- Use a sentence structure and layout matched to requirements of text type.
- Use semi-colon, colon or dash to mark the boundary between independent clauses.
- Use colon to introduce a list and semi colon within a list.
- Use correct punctuation of bullet points.
- Use hyphens to avoid ambiguity.
- Use full range of punctuation matched to requirements of text type.
- Use wide range of devices to build cohesion within and across paragraphs.
- Use paragraphs to signal change in time, scene, action, mood or person.
- Write legibly, fluently and with increasing speed.

<u>Maths</u>

- $\circ~$ Understand the relationship between powers of 10 from 1 hundredth to 1 million.
- Recognise the place value of each digit in numbers with up to 10 million including decimal and how these can be partitioned.
- Identify the location of any number with up to 10 million on a number line and round these appropriately.
- Divide powers of 10 from 1 hundredth to 10 million into 2,
 4, 5 and 10 equal parts.
- Understand how numbers can be linked using addition and multiplication.
- Solve problems involving ratio
- \circ Solve problems with 2 unknowns.
- Simplify fractions.
- $_{\odot}\,$ Compare fractions by finding a common denominator.
- Draw, compose and decompose shapes according to given properties including size, angles, area and solve related fractions.
