

## **Home learning for maths week commencing 5<sup>th</sup> October 2020**

In order to make learning smoother in the classroom whilst trying to teach mixed year groups we have changed the order we are teaching some of the WhiteRose Maths lessons to try and ensure that the year 1's and the year 2's are looking at the same area of learning each lesson. Therefore, please find below directions for the maths home learning to match our in class learning this week.

Please note, although some lessons are new learning for year 1 they may also be being used as a recap lesson for year 2 and so sometimes we may ask you to look at the year 1 videos for year 2. In class, where year 1 and year 2 are looking at the same video input we will then be developing the year 2's skills using numbers past 20.

Many thanks, KS1 team.

### **Monday**

<https://teachers.thenational.academy/lessons/to-recognise-the-value-of-different-coins-part-1-c8t32e>

Oak Academy

Recognising coins understanding the value of them.

Today both year 1 and year 2 are looking at using coins. We will be doing a lot of practise with play money as part of our continuous provision.

<https://www.topmarks.co.uk/money/coins-game>

This link will take you to a game for practising sorting coins that should work on both tablets as well as computers.

### **Tuesday**

<https://teachers.thenational.academy/lessons/to-recognise-the-value-of-different-coins-and-notes-65j64e>

Oak Academy

Recognising coins and notes and understanding the value of them.

This lesson will recap some of yesterdays learning and also move on to look at the value of notes.

### **Wednesday**

#### **Year 1**

<https://whiterosemaths.com/homelearning/year-1/week-5/>

Look at the year 1 'Part-whole Model (1)' video

Complete the worksheet 'The part-whole model with objects'

#### **Year 2**

<https://vimeo.com/463031310>

This link will take you to a video input from WhiteRose maths on 'Add and subtract ones' This link is available through our teacher site but the video isn't on their home learning site which is why the video is through vimeo.

Complete the worksheet 'Add and subtract 1's'

## **Thursday**

### **Year 1**

<https://whiterosemaths.com/homelearning/year-1/week-5/>

Look at the year 1 'Part-whole model (2)' video

Complete the worksheet 'Part-whole Model'

### **Year 2**

<https://vimeo.com/464192071>

This link will take you to a video input from Whiterose maths on '10 more and 10 less' This link is available through our teacher site but the video isn't on their home learning site yet which is why the video is through vimeo.

Complete worksheet '10 more and 10 less'

## **Friday**

### **Year 1**

<https://whiterosemaths.com/homelearning/year-1/week-5/>

Look at the year 1 'The Addition Symbol'

Complete the worksheet 'The addition symbol'

### **Year 2**

<https://vimeo.com/464237963>

This link will take you to a video input from Whiterose maths on 'Add and subtract 10's' This link is available through our teacher site but the video isn't on their home learning site yet which is why the video is through vimeo.

Complete worksheet 'Add and subtract 10's'
