## Summer Term 2018

**Dear Etwall Primary School PTFA member.**

Welcome one and all to the summer term PTFA newsletter and what a summer we are having (so far!) weather wise. Since our last newsletter we have had a successful recycling days, another great film night and have recently begun Freeze Pop Fridays, which have proven to be popular. We all thank you for your support.

We have had a successful bid from Hilton Rotary Club and the school will be able to purchase a new picnic table for the kids to use. So a big thank you to Hilton Rotary Club and also to Becky Madden for applying.

The village Well Dressing went well! Obviously the weather was on our side and the school's well was beautiful and a credit to all who helped decorate it and the kids who helped "puddle".

The Pop Star Disco on Thursday 7 June was a fantastic success - the kids really got to channel their inner Little Mix or George Ezra!

Coming up we have some wonderful summer events to look forward to.

There will be the ever popular Summer Fair (Friday 6 July) with a Russian World Cup theme and Etwall's answer to the lack of Glastonbury this year, the Etwall Music Festival (Sunday 15 July). Remember that entry to the Summer Fair is free but you need to purchase tickets for the Music Festival. These can be bought at the school and cricket club currently and should be available from the Spread Eagle and Hawk and Buckle soon. Let's keep our fingers crossed that the weather lasts for both events.

Thanks for reading and have a great summer.

## Summer activities

**Summer Fair:** Last year's Summer Fair was a great success. Thanks to the all the new volunteers who organised and ran the various activities, the event ran really smoothly. It provided a significant contribution to our annual fund raising and we hope this year will prove to be no different. Last year we raised the most money EVER totalling £1753 – Do You Think We Can Beat It!!!

**Music Festival:** For the last 2 years we have organised a Village Music Festival. The First year the weather was really on our side and it was a great success. Last year the weather was not on our side to start, but it did pick up and the event was also successful. The music was excellent and the bar was busy and it was great to see everyone enjoying the outdoors. We really hope to build year on year on what went well and hopefully make this a good community event.

**New School Picnic bench:** The PTFA have made a successful bid to the Etwall & Hilton Rotary Club. Mr Jowett & Mrs Madden will attend a presentation on the 19<sup>th</sup> of June to make a short speech and accept the award for a New picnic bench. We hope in time to raise enough to provide more benches to support the children's' outdoor learning.
