HEADTEACHER: Mrs Sally Dixey

Wednesday 10th January 2018

Dear Parents/carers,

KS2 times - tables workshop Thursday 18th January 9am – 9.30am

The Key Stage two team are excited to remind you that next week, on Thursday 18th January, 2018, from 9-9.30am we are holding our times-table workshop to give you tips and ideas on how you can help your child to have a rapid recall of their multiplication and division facts. This is part of your child's homework and we really want to support you in understanding how your child learns.

Workshops will happen in the child's classroom, and if you have children in more than one class, you are more than welcome to visit both rooms within this time.

Some of the things we will be covering within the classes are:

- Best practice for learning tables.
- Quick games than can be replicated at home.
- Rhymes that can help us remember certain facts.
- Games that can be found on the internet and free of charge!

We hope you have noted this date from previous newsletters and look forward to seeing you next week.

Kind regards,

The Key Stage 2 Team.
