Friday 10th May 2019

Dear parents and carers,

Imagineering Trip to Jaguar Land Rover

The Imagineering Club have the opportunity to visit Jaguar Land Rover Partnership Centre in Solihull on **Wednesday 26th June 2019**. As the centre can take 40 children, they have also invited some of the other pupils from Y6 and Y5.

Thank you to the Imagineering Club for arranging this trip for us, and to the PTFA for funding the coaches (£305).

The trip is an exciting opportunity for the children to experience science and engineering in a real life situation. On the trip, the children will enjoy a tour of the site and workshops and they will also be taking part in a control systems course, which involves programming equipment to move using computer systems. In addition to this, they will be building and racing land yachts. The trip is a great opportunity for the children to visit a world class engineering firm and get an insight into what science, engineering and maths related jobs might be like. We have had great feedback from previous trips!

We will be leaving school by coach at 9:00am and are due to arrive at Jaguar by 10.15am. Could children please meet in Eagles classroom at 8:40am promptly. We will arrive back at school at 3:30pm, but will of course message you via eschools in the event of any changes to our ETA due to traffic. The children will be accompanied by Miss Warburton and Mrs Dhillon as well as Mrs Silvester and Mr Bumstead, who are the leaders of the Imagineering Club. Your child will need to bring a packed lunch (including a drink) with them in a light bag, so that they are not carrying anything heavy around with them.

The cost of this worthwhile trip is £10 (£5 for children who are Pupil Premium funded). This covers the cost of the workshops throughout the day. Please return the slip below and the attached form to school by Friday 17th May, should you wish your child to accompany us on this trip. As we are limited to 40 places on the trip, places will be given on a first come, first served basis (with the exception of the Imagineering Club children, who are guaranteed a place) – however, in the event of lots of interest in the trip, priority will be given to returned Y6 letters, as the Y5 children will get a further chance to go on the trip next year. Please note: children who went on the trip last year will not be allowed to go on it this year as well.

Thank you.
Kind regards,

Miss Warburton, Mrs Dhillon, Miss Marriott and Mrs Giles (Y5 and Y6 teachers)
