HEADTEACHER: Miss Sally Dixey

Tuesday, 11<sup>th</sup> September 2018

Dear Parents/carers,

On **Wednesday 10<sup>th</sup> October 2018** children in Key Stage 2 are visiting the National Memorial Arboretum as part of our work to mark First World War centenary. The visit, which will consist of a guided tour and an act of Remembrance, will develop children's understanding of Remembrance, memorials and the impact of conflict.

It is essential that your child is wearing appropriate footwear and clothing for the conditions as it is an outdoor venue. Weather conditions can change rapidly and it can get quite muddy and wet in places. There is no indoor space to eat packed lunches (let's hope that it is not raining) and no lunch box storage space. Therefore, your child will need a rucksack or bag, which they are comfortable holding during the visit.

We will be travelling by coach, which will be leaving school at approximately 9.15am, and we will be back at school for 3.15pm. **If your child needs travel medication, please request a medical form in advance from the school office. Medication can be sent to school in a labelled envelope.**

The children will need:

- A packed lunch.
- Non-fizzy drinks in disposable containers.
- School uniform and school shoes.
- Waterproof jacket/coat.

To help us fund this trip we are asking for a voluntary contribution of £4.80 please. This will cover the cost of activities; coach costs have been kindly funded by the PTFA. Cheques made payable to Etwall Primary School. Please complete the tear off

slip and consent form and return it to school by Friday, 28<sup>th</sup> September. If you are able to help us on this trip, please indicate this on the slip.

Yours sincerely  
KS2 Class teachers.
