

Home learning for English Week commencing 9th October

To ensure all the children in KS1 cover a range of work throughout the year we will be basing the majority of our home learning on spelling, punctuation and grammar. These will mostly match with learning done in the classroom and the children will recap many of the areas in order to ensure they have a deep understanding.

Please see the video links and activities to support your child's learning.

Many thanks, KS1 team.

Monday Full stops and questions marks

Play the game: <https://www.roythezebra.com/reading-games/full-stop-beginner-1.html>

Complete the worksheet adding in the full stops and capital letters. Now rewrite some of the sentences to make them into questions.

Tuesday Y2_inverted commas

<https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/ztcp97h>

Year 1- full stops cont.

<https://www.bbc.co.uk/bitesize/articles/zv78jhy>

Use Activity 1 only.

Wednesday

Find better words for the words 'big', 'little', 'long', 'sad', 'old', 'said'. If you have a thesaurus at home use this if not use an online thesaurus. <https://www.thesaurus.com/>

Now use your new words in sentences.

Thursday

Cut up the the Magic rhyming cards and match the rhyming words. Then use the rhyming strips to find words that rhyme.

Friday

Use the Diplodocus Dan sheet to create a silly poem.
