

## Etwall Primary Remote Learning Plan

OAK  
NATIONAL  
ACADEMY

In order to ensure that learning is continued, irrespective of lockdown and self-isolation, Etwall Primary School has developed the following plan. This plan offers remote learning opportunities whilst also acknowledging that some households have limited access to devices and would require hard-copies of work and resources.

This plan will be applied in the following instances:

1. An individual is self-isolating because of a positive test within the household;
2. A group of children are self-isolating because of a case of coronavirus in the bubble;
3. A whole bubble or cohort is self-isolating because of an outbreak of coronavirus

The plan complies with the expectations and principles outlined in the DFE document [Guidance for Full Opening of Schools](#).

### Software and Online Platforms

Within all plans, teachers will set appropriate work in-line with our current curriculum, primarily supplemented by a range of resources provided by Oak Academy and White Rose Maths.

Children will remain in contact with their class teacher through Google Meet (after taught sessions) and Class Dojo (to share successes and communications).

Oak Academy has been selected to support remote learning for a number of reasons. The Oak Academy lessons are in-line with our teaching ethos – they encourage the use of retrieval practice, explicit teaching with high quality modelling, and the use of deliberate practice. The online lessons are free to all and offer a recorded taught session so that the children can access physical teaching from a teacher and then access work relating to that lesson within the same website. There are also hundreds of lessons specifically aimed at children with SEND needs and requiring additional support. Class teachers are to use the lessons in the classroom so children are familiar with the platform.

White Rose Maths resources will be used as they are matched to our current maths curriculum model. Children are very used to seeing these resources.

Spelling Shed, Numbots, and TT Rockstars will all be utilised to support the acquisition and retention of basic core skills.

Google Meet will support school in offering true online learning with the opportunity for the children to communicate with their teacher through live video. Often this will be used so children can 'drop-in' to receive further support after accessing the Oak Academy resources.

Class Dojo will remain in use as the communication element has already proved to be invaluable. Teachers and parents will be able to message one another to share information and offer support. The Class Story page will offer the chance for teachers to celebrate children's work and maintain our school community. Use of Class Dojo will be in-line with the Class Dojo Usage Policy.

**In the event of any form of isolation and loss of learning caused by Coronavirus, parents must understand that engagement in home learning is compulsory, as is the expectation that Etwall Primary School makes that provision available and accessible to all. However, if children themselves are too ill to attend then they should not be expected to engage in home learning.**

In preparation for home-learning, parents and children need to receive logins and passwords for the following platforms (likewise teaching staff need to be familiar with them):

- Class Dojo
- Google Meet
- G Suite/Google Classroom
- Spelling Shed
- TT Rockstars/Numbots
- Accelerated Reader
- Bug Club

#### Worksheets and Practical Resources

If a child is isolated from school i.e. the child is sent home from school to either receive a test or self-isolate as someone in the household is being tested, they will leave school with a pack of work and their own stationery pack. Children will have immediate opportunity to continue their learning.

The work packs should be basic skills work that would be relevant at any stage of the year i.e. arithmetic, spelling, reading, writing (with a visual prompt) and handwriting.

#### Remote Learning

The initial response to any isolation will be to provide children with home learning materials alongside their class stationery pack (this might need to be delivered). In the case of whole cohort isolation, resources will be uploaded to Class Dojo and priority children will have packs delivered. This measure will afford teachers a short time to prepare their remote learning resources.

Pupil needs to isolate because someone in their household is symptomatic and awaiting a result	
Ongoing Support	Safeguarding/SEND
<p>A pack of work will be made available for the child and will contain work for up to 3 school days. Links to this work will be posted on the school website. For those children who cannot access the internet, paper copies can be collected or delivered. It may be that support is required from SBA to print these packs off, ready for collection by the parent. The teacher will decide what materials are most appropriate for the individual child.</p> <p>For children in Year 1 and above, English work will focus on spelling, grammar, punctuation and reading comprehension. Maths work will include the use of parent books from White Rose Maths for whichever unit the children are working on as well as any appropriate times tables or basic number work. Non-core subjects will include work related to the topic and may include links to Oak Academy.</p> <p>For children in EYFS, short tasks will be set as appropriate.</p>	<p>School office to contact parents to make sure that parents know to communicate test results and likely return date to <a href="mailto:info@etwall.derbyshire.sch.uk">info@etwall.derbyshire.sch.uk</a></p> <p>If child is entitled to benefit-related FSM ensure food made available through Derbyshire Catering.</p> <p>If child is vulnerable in any way, the DSL/DDSLs will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on My Concern).</p>

Pupil needs to isolate because someone in their household tests positive or if results are not returned and isolation needs to continue	
Ongoing Support	Safeguarding/SEND
<p>Using Class Dojo (until the Digital Learning Platform is set up), the Classteacher will upload worksheets between 3pm-5pm the day before to allow parents to see the learning materials prior to supporting their child. The teacher will decide what materials are most appropriate for the individual child.</p> <p>If teaching input is required for core lessons, the teacher can either direct the parent to a relevant Oak National taught session or they could use a pre-recorded taught session where there is a voice recording to accompany a shared set of screens. Only the Classteacher and modelling area will be viewable on screen. Non-core lessons and resources will be uploaded to Class Dojo in the first instance and then the learning platform once ready.</p> <p>EYFS children will be directed to White Rose Maths and Mr Thorne's phonics sessions. Bug Club will also be used to support phonics and early reading.</p>	<p>School office to contact parents to ensure a test has been taken and to make sure that parents know to communicate test results to <a href="mailto:info@etwall.derbyshire.sch.uk">info@etwall.derbyshire.sch.uk</a></p> <p>If child is entitled to benefit-related FSM ensure food made available through Derbyshire Catering.</p> <p>If child is vulnerable in any way, the DSL/DDSLs will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on My Concern). If a child does not engage, the Classteacher is to call the parents to discuss obstacles and support.</p>

A group of children are self-isolating because of a case of coronavirus in their class bubble	
Ongoing Support	Safeguarding/SEND
<p>Using Class Dojo, the Classteacher will upload worksheets between 3pm-5pm the day before to allow parents to see the learning materials prior to supporting their child/ren.</p> <p>If teaching input is required for core lessons, the teacher can either direct the parent to a relevant Oak National taught session or they could use a pre-recorded taught session where there is a voice recording to accompany a shared set of screens. Only the class teacher and modelling area will be viewable on screen. Non-core lessons and resources will be uploaded to Class Dojo in the first instance and then the learning platform once ready.</p> <p>Daily contact timetables will be set up. This is likely to consist of two short sessions – one in the morning and one after lunch. This will be a chance for children to have a dialogue with their class teacher. A further story session will be set up for the end of the day. This may be pre-recorded.</p>	<p>School office to contact parents know to communicate test results to <a href="mailto:info@etwall.derbyshire.sch.uk">info@etwall.derbyshire.sch.uk</a>.</p> <p>If child is entitled to benefit-related FSM ensure food made available through Derbyshire Catering.</p> <p>If child is vulnerable in any way, the DSL/DDSLs will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on My Concern).</p> <p>Those not engaging with home learning are to receive a phone call from a member of SLT to discuss the obstacles and support.</p>

A whole bubble/cohort of children is isolating because of an outbreak of coronavirus	
Ongoing Support	Safeguarding/SEND
<p>Teachers will schedule a Google Meet meeting with the children and parents for the following day (after isolation). In this meeting the teacher will discuss the remote learning arrangements and expectations. Teachers will also share a timetable of learning – this will consist of core subject lessons, a non-core lesson and a whole class reading session per day.</p> <p>Using Class Dojo, the Classteacher will upload worksheets between 3pm-5pm the day before to allow parents to see the learning materials prior to supporting their child/ren. Teaching assistants will be able to support the Classteacher in identifying resources.</p> <p>PPA will be covered by teaching assistants in the phase who will deliver an afternoon non-core lesson and a reading for pleasure session at the end of the day (or make use of the Oak National Academy materials).</p> <p>The Classteacher will share links to appropriate lessons from White Rose Maths or Oak National lessons through Class Dojo. Teachers will then be accessible to children through Teams so that any issues or re-teaching can be delivered live. Teaching assistants will also access the Teams live lessons so that they can support children in breakout rooms should this be required.</p> <p>For non-core lessons, resources will be uploaded to Class Dojo and where possible web-links to appropriate support materials will be shared. This will often be through Oak National using lessons that link to the Etwall curriculum. Teachers will schedule an afternoon Teams meeting to support those children needing additional input. There will be an additional end of day Teams meeting so that the Classteacher or TA can complete the reading for pleasure session.</p> <p>Completed work should be photographed and uploaded to Class Dojo. Teachers can then review the work completed and ensure that the following day's lesson addresses misconceptions etc. Feedback and queries can take place throughout the day using either Teams or Class Dojo, depending on the teacher's preference. Those children that need additional support following feedback are to be directed to the Teams meeting for that lesson with attendance expected.</p> <p>In the event of teachers becoming ill, support staff will be required to 'take over' the Class Dojo account with resources being identified by the other phase teachers.</p>	<p>School office to contact parents know to communicate test results to <a href="mailto:info@etwall.derbyshire.sch.uk">info@etwall.derbyshire.sch.uk</a>.</p> <p>If child is entitled to benefit-related FSM ensure food made available through Derbyshire Catering.</p> <p>If child is vulnerable in any way, the DSL/DDSLs will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on My Concern).</p> <p>Those not engaging with home learning are to receive a phone call from a member of SLT to discuss the obstacles and the support needed by the family. This could then be followed up by calls from Nikki Carter if there are pastoral issues.</p> <p>Where children would normally receive additional support from SEND agencies, the SENDCo will make arrangements for those to continue via Teams as long as the agencies engage.</p> <p>The SENDCo will share appropriate Oak National SEND lessons with teachers who will disseminate accordingly.</p>
