

Home learning for maths week commencing 9th November 2020

In order to make learning smoother in the classroom whilst trying to teach mixed year groups we have changed the order we are teaching some of the Whiterose Maths lessons to try and ensure that the year 1's and the year 2's are looking at the same area of learning each lesson. Therefore, please find below directions for the maths home learning to match our in class learning this week.

Please note, although some lessons are new learning for year 1 they may also be being used as a recap lesson for year 2 and so sometimes we may ask you to look at the year 1 videos for year 2. In class, where year 1 and year 2 are looking at the same video input we will then be developing the year 2's skills using numbers past 20.

Many thanks, KS1 team.

Monday

<https://teachers.thenationalacademy/lessons/to-subtract-by-counting-back-using-a-number-line-cgr36d>

Oak Academy on subtracting using a numberline. After the video input year 1 will continue practising subtracting numbers independently, choosing 2 numbers (smaller than 20), writing these on their whiteboard as a subtraction and using a number line to work out the answer. Year 2 will do the same but they will choose bigger numbers (up to 100) and take away a number between 0-10.

Tuesday

Year 1

<https://vimeo.com/465728628>

Whiterose maths input on subtraction crossing 10.

Worksheet Y1-Subtraction-crossing-10

Year 2

<https://vimeo.com/466497248>

Whiterose maths input on subtracting a 1-digit number from a 2-digit number

Worksheet Y2-Subtract-a-1-digit-number-from-a-2-digit-number-crossing-10

Wednesday

Year 1

Repeat the video input from yesterday and continue to practise. In class we will be writing some questions on the board and encouraging children to write these neatly into their books. Feel free to choose your own questions at home, stick to numbers below 20. Or you can use the sheet 'Subtraction on a numberline to 20' although please note, some of these questions do not cross ten.

Year 2

<https://vimeo.com/468561808>

Whiterose maths input on subtracting 2-digit numbers part 1

Worksheet Y2-Subtract-2-digit-numbers-1

Thursday

Year 1

<https://vimeo.com/470964093>

Whiterose maths input on subtraction – finding the difference part 1

Worksheet Y1-Find-the-difference Follow the video for guidance on which questions to do, half the sheet is for today and half is for tomorrow.

Year 2

<https://vimeo.com/468562834>

Whiterose maths input on subtracting 2-digit numbers part 2

Worksheet Y2-Subtract-2-digit-numbers-2

Friday

Year 1

<https://vimeo.com/470964398>

Whiterose maths input on subtraction- finding the difference part 2

Worksheet Y1-Find-the-difference Follow the instructions on the video, you will be finishing the second half of yesterdays sheet.

Year 2

Are going to watch the video with the year 1 on finding the difference and then complete the worksheet the year 1 have been working on yesterday and today but their they are going to extend this knowledge by applying it to money. In class the children will use physical coins to support their learning.

Worksheet Y2-Find-the-difference
